## **About Jhunu’s Market:**

Jhunu’s market is a school based organization sponsored by Second Harvest Food Bank of Central Florida. Our goal is to provide quality produce, snacks and canned food to our needed families. As you know, needy families and individuals in our community go without proper food due to a variety of factors including low wages, job loss, injuries, illness, age, domestic violence, or divorce. While all of us are susceptible to hard times, children and the elderly are at the most risk, and they make up the largest number of student’s families we serve.

## **Availability:**

The market will be available Monday through Friday during dismissal times for students, parents and all staff.

## **Contact Us:**
